

PART TIME CONTRACT PROGRAMMER WITH ASP.NET SKILLS

Join the programming team for adplex, as a part time contract programmer. We will plan your work schedule around your school schedule, but we do require that you work at our corporate office which is located in North Houston, at I45 and Airtex.

We are working with several interesting clients to provide innovative and challenging programming solutions using the following programs:

- C / C++
- C#
- ASP.NET
- HTML
- MS SQL Server 2005
- XML/XSL
- CSS
- XML Web Services
- SOAP
- ADO.NET
- Javascript
- Visual Studio .NET
- Team Foundation Server

We are a well established, 25 year old growing company that has a great working environment and opportunity for growth. The pay range for this part time contract position is \$13.00 to \$14.00 per hour based on experience. Please visit our website at www.adplex.com to learn more about adplex. Submit your resume via email to resume@adplex.com. We look forward to hearing from you.
